Steve and Scott,

We resolved our Motion to Compel this am with the SBC and the SBC EC.

We will be proceeding with testimony on February 27 only (aiming to do each corporate deposition that day). We continue to want to resolve our issue with Guidepost. We will proceed if authorized by the Court on Monday.

We now have February 28 available for the corporate deposition of Guidepost based on the resolution this am and are willing to proceed on that day with the Guidepost testimony if that will resolve the issue.

Please let us know as we intend to advise the Court of our resolution with the SBC and the SBC EC this am.

Best regards.
